A detailed report of the Dean of Students’ Welfare on student activities, Sports, Culture, Health Centre, Employment Information and Guidance Bureau, Hostels, Special Cell, etc. are given separately.

**Engineering and Estates:**

The Engineering and Estates Department is responsible for the maintenance of the University assets, construction of new structures, overall infrastructure development activities of the campus, etc. This Department is led by a University Engineer. He is assisted by one Retd. Chief Engineer (Civil) as Chief Consultant, one Assistant Registrar (Estates), three Assistant Engineers, two Junior Engineers, one Architect (Consultant) and other technical and supporting staff.

**Works Committee:**

The Engineering and Estates Department prepares preliminary estimates. The estimates are then placed before the Works Committee chaired by the Vice-Chancellor. Other members of the Committee include Chief Engineer; Senior Architect and Retd. Chief Engineer of PWD; Chief Consultant (Civil); Principal, Manipur Institute of Technology; Registrar; Finance Officer; University Engineer and representatives of user Departments of MU. After a proper scrutiny of the estimates, the Committee recommends the estimates to the Vice-Chancellor. Other members of the Sub-committee include Chief Engineer, PWD; Chief Consultant; Finance Officer and University Engineer. The Sub-Committee after examining the tender documents analyses the rates carefully and its reasonability before presenting it to the Works Committee for approval.

The Engineering Department prepares a work programme under the guidance of the Vice-Chancellor after receiving requisitions and proposals for construction from various departments. The Proposed work programme is then placed before the Works Committee, after detailed deliberations and scrutiny, recommends the proposed work programme for approval of the Vice-Chancellor.

Regarding contract agreement open notices inviting tenders (in PWD form) are normally issued for public purposes/conveniences after necessary financial and technical sanctions are obtained.

Prior to calling such open tenders, screening of Contractors is carried out by inviting applications for enlistment/ empanelment of Contractors. The tenders are then scrutinized in the prescribed manner. After acceptance of the tender, an agreement in the appropriate PWD form is drawn with the agency in whose favour the tender has been accepted.

The University Engineer is solely responsible for enforcement of various clauses of the contract agreement and those works are executed in the true spirit of the contract. At present, the
staff of Engineering and Estates for execution of the proposed projects is considered adequate. In case the workload increases the University may take action to increase technical staff for smooth and expeditious implementation.

Campus Facilities:

A branch of the State Bank of India and one branch of the Bank of Baroda function at the Campus. There is also a Sub-Post Office on the campus. The Water Supply of the Public Health Engineering Department of the Government of Manipur takes care of the water supply of the University and also to the adjoining areas of the University campus. Besides, the University Canteen along with other smaller Kiosks takes care of the requirements of the University Community.

Health Centre:

The University Health Centre looks after the health care to all the students, scholars, University employees and residents on the campus and nearby surrounding. A total of 3405 (four thousand and seventy six) patients attended the Health Centre out of which 357 patients were dental patients.

University Guest House:

The University has a Guest House. It has a total of 25 rooms including VIP rooms both on the 1st and 2nd floors. A total of 491 guests including 34 foreigners stayed at the Guest House during the period under report. The construction of another International Guest House is going on in full swing.

Conclusion:

The University has made all round progress despite certain difficulties faced by it. With the up-gradation of Manipur University to a full-fledge Central University, the university is able to reach further heights in all round infrastructures and academic development to become the best and highest temple of learning in the region. It is hoped that the Manipur University makes further progress in the field of research and teaching so as to cherish the dream of higher learning in the region.

3. Three days workshop on “Problem and Prospects of two years, B.Ed. Course”, organised by the College Development Council, MU, Canchipur, Imphal held at MU from 29th June to 1st July, 2016.

Activities done by the Department:

i. Community Contact Service at –
   1. Khongjom, Thoubal District
   2. Kakching, Kakching District
   3. Moirang, Bishnupur District
   4. Senapati District
   5. Unity Contact Cum Awareness Programme at Thanga Karang

ii. Workshops on:
   1. Lesson Plan format
   2. Blue print for constructing question paper
   3. Micro teaching
   4. Teaching Aid preparation

iii. Internship Programme on:
   1. Practice Teaching
   2. Organizing Co-curricular activities at different Schools
   3. Community Service

iv. Teaching Aid Exhibition
v. Activity Week programme on :
   1. Cultural Activities
   2. Literary Activities
   3. Sports Activities

vi. Social Service Programmes
Report of the Dean,

The School of Life Sciences with three departments, viz., Department of Biochemistry, Department of Biotechnology and Department of Life Sciences, emerged as a separate school from the earlier School of Sciences in 2010, is now actively engaged in teaching and research.

At present, there are 16 professors, 2 Associate Professors and 10 Assistant Professors. In addition, there is one DBT-Ramalingaswamy Re-entry Fellow and a few Post-Doctoral Fellows.

The school admits about 120 students who qualify entrance tests out of more than one thousand applicants.

The school, to its credit has 16 major research projects, funded by external funding agencies like University Grants Commission, Department of Biotechnology, Department of Atomic Energy, Department of Science & Technology and Ministry of Environment, Forests & Climate Change.

Department of Life Sciences has been granted UGC-CAS-II (UGC-Centre of Advanced Study) under the thrust areas: Biodiversity and Crop Responses to Stress. The department organized International Conference on Natural Resources Management and Technology Trends in March, 2017 which was sponsored by the Centre of Advanced Study in Life Sciences and Planning Department, Govt. of Manipur. Faculty members have published more than 60 research papers and also presented their papers in many seminars and symposia.

The school conducts outreach activities and training programmes; to name a few: The magic of the Microbiome by the Department of Biochemistry in secondary schools; Training programme on Basic Microbial Techniques: Handling, sub-culturing and characterization of Bacteria by the same department; three months Training on Fish Taxonomy for ICAR scientist probationers by the Department of Life Sciences.
Prof. G. Jitendra Sharma of the Department of Life Sciences has been awarded UGC-BSR Faculty Fellowship on his superannuation. Prof. W. Vishwanath has been re-appointed (second term) as IUCN-FFSG Regional Chair for South Asia (International Union for Conservation of Nature-Freshwater Fish Specialist Group) for the quadrennium 2016-20.

Events organised

Dr. L. Rupachandra Singh, Professor attended "International Conference on Natural Resources Management and Technology Trends (ICNRM-17)", Centre for Advanced Study, Department of Life Sciences, Manipur University, Imphal held from 27th to 29th March, 2017 and presented the following three papers:

(i) Antioxidant potential of sericin and non-protein components from oak tasar (Antheraea proylei J.) silkworm cocoons, International Conference on Natural Resources Management and Technology Trends (ICNRM-17)”, Centre for Advanced Study, Department of Life Sciences, Manipur University, Imphal held from 27th to 29th March, 2017, Abstract No.Biotech 11

(ii) Preparation and characterisation of thin films from Antheraea proylei (J.) silk cocoon fibroin for potential biomaterial applications, International Conference on Natural Resources Management and Technology Trends (ICNRM-17)”, Centre for Advanced Study, Department of Life Sciences, Manipur University, Imphal held from 27th to 29th March, 2017, Abstract No. Biotech 12
(iii) Elastase inhibitory potential of oak tasar (Antheraea proylei J.) cocoon sericin extract, International Conference on Natural Resources Management and Technology Trends (ICNRM-17), Centre for Advanced Study, Department of Life Sciences, Manipur University, Imphal held from 27th to 29th March, 2017, Abstract No. Biotech (P6).

Other Information:

i. Dr. L. Rupachandra Singh, Professor is the principal inventor of the Indian Patent No. 236242 (Patentees – Secretary, DBT, New Delhi and Manipur University): An improved process for oak tasar (Antheraea proylei J.) cocoon cooking using pineapple extract

ii. Dr. L. Rupachandra Singh, Professor is member of the Undergraduate and Postgraduate Board of Studies of Biochemistry of North East Hill University, Shillong.

iii. Dr. L. Rupachandra Singh, Professor is life member of (a) Society of Biological Chemists of India, (b) Indian Society of Agricultural Biochemists, India (c) Indian Society of Sericulture, India and (d) Association of Clinical Biochemists of India (Manipur State Branch) and (d) Indian Institute of Public Administration, New Delhi.

Ongoing Research Guidance

1. Bioactivity screening and Characterization of Endophytic Actinomycetes isolated from selected ethnomedicinally important plants of Manipur, Mrs. Khullakpam Shaheen, since 2014.
2. Characterization and Identification of Protease producing bacteria from different habitats in Manipur; Mr. Elangbam Shanta Singh, since 2016.

ONGOING RESEARCH PROJECTS
1. Establishment of State Biotech Hubs (SBT hubs).
2. Activity of keratinolytic bacteria from selected biotopes of Manipur on β- amyloid plaques.
3. Microbial roles in yield management of scented rice of North East India.

COMPLETED RESEARCH PROJECTS
1. Biochemical and genetic characterization of bacteria degrading xenobiotics and optimization of conditions for biodegradation.
2. Isolation and Characterization of Extremophilic Protease Producing Bacterial species and their Extracellular Proteases from Biotopes of Manipur.
3. Development of formulations of microbial bioinoculants with plant growth promoting and biocontrol activities for application in rice cultivation in Manipur and Assam.
4. Discovery of bioactive natural products from microbes especially actinomycetes in niche biotopes in Manipur.
5. Biotechnological potential of keratinolytic bacteria from selected biotopes in Manipur.
6. Diversity of carboxydotrophic actinobacteria in Manipur and their carbon monoxide dehydrogenase.
7. Activity of keratinolytic bacteria from selected biotopes of Manipur on β- amyloid plaques.

DEPARTMENT OF LIFE SCIENCES

**Year of establishment:**

The Department is originated as Applied Biology Division of the Post-Graduate Centre of Jawaharlal Nehru University, New Delhi, in the year 1976. It was converted into full-fledged DEPARTMENT OF LIFE SCIENCES under Manipur University, in 1980. The Department was now upgraded since 1st September, 2010 (initially for 5 yrs. up to 31/3/2015), into a CENTER OF ADVANCE STUDY IN LIFE SCIENCES (CAS), now in the 2nd phase w.e.f. May, 2015.

**Report of the Dean**

The Department of Anthropology, Earth Sciences, Geography, Forestry & Environmental Sciences and Physical Education and Sports Sciences are the field of oriental disciplines, which are under the School of Human & Environmental Sciences. School of Human & Environmental Sciences offers MPES, MSc, MA and Ph. D. programmes in its departments. There are twenty-three faculty members out of which seven are Professors, four Associate Professors and twelve Assistant Professors, besides these, few guest faculties and research scholars are actively engaged in teaching as well as research activities. During the assessment period of 2016-17, 112 MSc & MA and 33 MPES students admitted in five departments of the school.

There was a good participation of the faculty members in International and National Seminars in India as well as abroad. Number of National seminars/workshops are organized by the various disarmaments of the school. The faculty members of Anthropology departments have attended maximum number (>50 nos) of Seminar/Conferences/Workshop in the last academic year and organized one International Seminar on Anthropological Research in North East India...at Manipur University, followed by the Earth Sciences and (20 nos) and organized DST sponsored Networking Meeting on Landslide Hazards Mitigations in North Eastern Region and National Seminar on Science and Technology for National Development and two faculty members attended International Geological Congress at Cape Town, South Africa, Physical Education & Sports Sciences (18 nos), Geography and Forestry and Environmental Sciences departments (10 nos).

The faculty members of Anthropology department have published maximum research papers (18 nos), followed by 16 in Earth Sciences, four in geography and 10 in Physical Education and Sport Sciences in various National and International Journals as well as in edited books. Three Ph. D. degree were awarded in the school (Earth Sciences and Anthropology). There are five MSc students who qualified National Eligibility test in the Forestry & Environmental Sciences.

Large number of Research projects up to the tune of few crores are being implemented by the faculty members of the school. There is a MoES sponsored Multi Parametric Geophysical Observatory for Earthquake Precursory Research in
Manipur is functional since 2014 at Manipur University, which is implemented by the Earth Sciences Department. It is the second observatory in India on earthquake precursory research. As an outcome of long continued research in Anthropology department, there is Ethnological Museum, which displays and preserve the rare, precious cultural artifacts of various of ethonos of Manipur.

One of the faculty members, Prof Arun Kumar, Department of Earth Sciences, received the Birbal Sahani Birth Centenary Award (Gold Medal) postulated by ISCA, Ministry of Science & Technology, Govt of India.

iv. Served as Observer in the MUSU Election for the academic year 2016-17

Dr. L Santosha Singh
Organization parts:

i. Act as Organizing Committee Member for “Observance of National Unity Day” organized by NSS, Cell, Manipur University, Canchipur 31st October, 2016.
ii. Act as Organizing Secretary for National Seminar on “Youth Empowerment and Nation Building” organized by NSS, Cell, Manipur University, Canchipur 31st March, 2017.
iii. 1-Day Blood Donor Motivators Training, organized by NSS, Cell, Manipur University, Canchipur 20th April, 2017.

Professional Work:

1. Warden for Koubru Hostel Men’s Hostel No. 2. Manipur University, Canchipur w.e.f. 26th June, 2014 till date
2. Member of the BSD, School of Human and Environment Science, Manipur University, Canchipur From 26th March 2010 till date
3. Subject Committee Member National Journal “90 Minutes A Journal on different Aspects of Soccer” w.e.f. 2010 till date now
4. Life Member (Member ID No. 741/2011.) National Association of Physical Education and Sports Science (NAPESS) w.e.f. 2011 till date
5. Central Committee on Hostels, Manipur University, Canchipur, w.e.f. 9th July, 2012 till date
6. Hostel Advisory committee Manipur University, Canchipur w.e.f. 9th July, 2012 till date
7. Member for Community Development Cell, Manipur University, Canchipur w.e.f. 3rd April, 2015 till date.
8. Ex-Officio member for Fourth Academic Council under section 24 (2) Manipur University, Canchipur w.e.f. 4th March, 2016 till date.
9. Ex-Officio member for fourth court under section 22(1) Manipur University, Canchipur w.e.f. 4th March, 2016 till date.
10. Programme Officer, NSS, Cell Unit-II NSS, Cell, Manipur University, Canchipur w.e.f. 3rd September, 2016 till date.

Co-Curricular activities
1. Act as Observer under article 18(13) of the constitution of Manipur University Students Union, 25th November, 2016.
2. Act as Manager cum Coach for Manipur University (W) Football Team in the East Zone Inter-University at Dibrugarh University held on 4 – 8 February, 2016. (Position, Winner).
3. Act as Manager cum Coach for Manipur University (W) Football Team in the All India Inter-University Women football Tournament at Physical Education and Sports University, Chennai from 26th February to 2nd March 2016.

L. Pungding
i. Member of the organizing committee for XXIX Manipur University Inter College Youth Festival 2016.
ii. Member of the Counting officers for the MUSU Election 2016-2017 held on 20th December 2016.
iii. Member of the organizing committee for Three-Day National Conference on Tribal Literature and Performance Jointly Organized by Government of Karnataka Department of Kannada & culture, Indira Gandhi National Tribal University, Amarkantak, Regional Campus Manipur and Manipur University, Imphal held on 1st – 3rd April 2017.
iv. Appointed as Observer for All India pre- Medical/pre-dental test held on 1st May 2016 Sunday.
Report of the Dean,

The School of Mathematical and Physical Sciences comprises 5 (five) departments, viz (1) Department of Chemistry, (2) Department of Computer Science, (3) Department of Mathematics, (4) Department of Physics and (5) Department of Statistics. There are 18 Professors, 6 Associate Professors and 16 Assistant Professors under the school.

During the year 2016-2017, 7 students were awarded Ph.D. degrees under the school: Chemistry 5, Physics 1 and Mathematics 1. Choice based credit system has been accepted in principle and might be implemented from the next academic session.

Two Departments (Chemistry and Physics) have been under UGC-SAP and three Departments (Chemistry, Physics and Mathematics) under DST-FIST.

Some Departments under this school organized seminars, conferences and workshops. Many of the faculty members under this school also participated in the panel discussions on important international/national/state issues including the Manipur State Vision 2030 (incorporating 17 themes of Sustainable Development Goals), Development Priority of Manipur, Waste Management, Climate Change Issues, Overall Development of Manipur University and Affiliated Colleges.

Many eminent scholars including Prof. Manoj Sharan, SINP, Kolkata; Dr. Pravabati Chingangbam, Indian Institute of Astronomy, Bangalore; Prof. Ranjit Biswas, S.N. Bose Institute, Kolkata; Prof. A. Surjalal Sharma, University of Maryland, USA; Dr. Augustine Khetrimayum, Institute of Physics, Johannes Gutenberg University, Mainz, Germany; Prof. Ravinda Pandey, Michigan Technological University, USA; Prof. B.K. Sinha, I.S.I. Kolkata; Prof. S.C. Katkaty, Department of Statistics, Dibrugarh University visited the Departments and delivered excellent lectures.

Retired Professor, Dr. R.K. Gartia joined the Department of Physics on 1st April, 2016 as UGC Emeritus Professor:

### Ongoing Research Projects:

1. Investigation on metal oxides Nano Bio Ceramic materials for Hyperthermia against Sarchoma DBT 2014
2. Self-Aggregation of Cyanine and Other Indigenous Dyes in Mixed Media: Their Possible Applications in the Development of Dye Sensitized Solar Cells (DSSCs) DST 2014
4. B-oxodithioesters in the synthesis of combinatorial library of indole alkaloids and studies on their anticancer activities. DST 2016
5. Synthesis of new materials & studies on their applications as organic thin film transistors (OTFT). CSIR 2016
6. Two-Dimensional Structures of Supercapacitors. SERB-DST 2017

### Completed Research Project:

### Publications:

2. Invited Lecture at the National Seminar on “Interdisciplinary Research in Chemical Sciences” NSIRCS-2016 held during 28-29 September, 2016 at the Department of Chemistry, Kohima Science College (Autonomous), Kohima, Nagaland. (R.K. Bhubon Singh)

3-5 February, 2017 Organized by the Department of Chemistry, Gauhati University, (R.K. Bhubon Singh)

4. Invited Lecture: “Phytochemical investigations of Solanum xanthocarpum and Zanthoxylumarmatum: isolation and characterization of the active principles” International conference on “Natural Resources Management and Technology Trends” (ICNRM-17) at Manipur University, Life Sciences Department during March 27-29, 2017 (O. Mukherjee Singh)

6. Invited Lecture: “Indole derivatives and indole based alkaloids from dithiocarboxylates” Recent Trends in Affordable and Sustainable Drug Discovery and Developments, 22nd Indian Society of Chemists and Biologists Conference (ISCBC-2016), 6-8 February, 2016 at Uka Tarasadia University, Surat, India (O. Mukherjee Singh)

10. Presented an invited talk on “Natural Anti-oxidants and toxic compounds from some medicinal plants of Manipur” at the National Conference held at the NIT, Agartala during 20-21 May 2016. (L. Warjeet Singh)

11. Presented an invited talk on “Antidiabetic compounds from some medicinal plants of North East India” at the Second International Conference on Herbal and Traditional Medicine 2017 held at Asia Hotel, Bangkok, Thailand during 25-27 January 2017. (L. Warjeet Singh)

12. Attended 32nd Orientation Programme organized by University Grants Commission – Human Resource Development (UGC-HRDC), Manipur University from 23rd March to 21st April, 2017 at the Academic Staff College, Manipur University. (Francis A. S. Chipem)

14. Participated in the National Symposium on Natural Products: Prospects & Perspectives held during 21-22 March, 2016 organized by CRSI-NE Chapter and CSIR-NEIST. (Thongam Joymati Devi)
15. Attended 82nd Annual Meeting of the Indian Academy of Sciences (IAS) at Indian Institute of Science and Educational Research (IISER) Bhopal from 4th to 6th November, 2016. (Thongam Joymati Devi)

17. Presented an Invited talk on “Fabrication of Dye Sensitized Solar Cell (DSSC) and Aggregation of Dyes in Mixed Media: Unusual Behaviour of MB and Merocyanine Dyes in Presence of Organic Amines” at the National Seminar on “Chemistry Today & Tomorrow for Better Future” organized by Dept. of Chemistry, Dasaratha Deb Memorial College, Khowai, Tripura on 5-6 August, 2016. (Homendra Naorem)

18. Participated as local advisory committee member at the 20th CRSI-NSC and 11th CRSI-RSC Symposium during Feb 2-5, 2017 at Gauhati University Assam. (Homendra Naorem)

**Conference Seminar Organised:**

(i) Organized one day First Annual Conference of the Manipur University Chemistry (MU Chem) Alumni Association under the Focal Theme: Emerging Challenges in the Frontiers of Chemical Sciences’ on 9th September 2016. Convenor: Prof. Homendra Naorem

**Assignment from other academic institutions:**

1. Prof. K. Yugindro Singh visited Rajiv Gandhi University, Arunachal Pradesh during May 8-10, 2016 and conducted Practical Examination of M.Sc. (Physics) 2nd Semester of the University.

2. Prof. K. Yugindro Singh examined a research proposal of Assam University submitted by S. Rita Devi, a research scholar, for provisional registration for Ph.D. on the topic “The spectral and timing study of some galactic and extra galactic X-ray sources”

3. Prof. K. Yugindro Singh has been elected as a Member of the Editorial Board of the journal Asian Journal of Science & Innovative Research (May, 2016), published at Satna, M.P., India.

**Invited talk/Papers:**

1. Prof. Yugindro presented a talk on the title “On Measuring the Stars of the Night sky” on March 30, 2017 in the Refresher Course in Mathematical and Physical Sciences organized by the UGC-Human Resource Development Centre, Manipur University.

**Ph.D. produced:**

1. One Ph.D. scholar namely, Heisnam Shanjit Singh (Registration no. 2799/2009), working under the supervision of Prof. K. Yugindro Singh obtained his Ph.D. degree from Manipur University on the topic “Dynamics of a test particle in the Kerr-Newman de/anti de Sitter Spacetimes”, vide Office Orders no. MU/9-02/16/Exam/1338, dated February 18, 2017.

**Administrative assignments:**

1. The Manipur University appointed Prof. K. Yugindro Singh as the Coordinator of Faculty Induction Development Cell (FIDC) for a period of one year with effect from November 22, 2016 vide Office Orders no. 1057, dated November 22, 2016.

2. The Manipur University appointed Prof. K. Yugindro Singh as a member of the Finalization Committee of First Ordinances, vide Office Orders no. 1158, dated March 08, 2017.

3. Prof. Yugindro attended a Meeting of the Prize Award Committee of
the Board of Secondary Education, Government of Manipur held on December 26, 2016 for selection of prizes and awards of the HSLC Examination, 2016.

4. Prof. Yugindro attended a Meeting of the Expert Panel of the Department of Science and Technology, Government of Manipur, for selection of research projects for the year 2016-17.

Astronomy observational activities:

1. Prof. K. Yugindro Singh, S. Ajitkumar and Dr. I. Ablu Meitei could observe and take telephoto shots of the supermoon of November 14, 2016. The observed supermoon was the brightest and closest to the Earth in 69 years. The last such supermoon was seen in January 26, 1948 and it will be seen again on November 25, 2034.

2. Prof. K. Yugindro Singh, S. Ajitkumar Singh and Dr. I. Ablu Meitei took part in the All-India programme in the observation of the transit of Mercury across the Sun’s disc on May 9, 2016 organized by The Public Outreach & Education Committee of the Astronomical Society of India (ASI-POEC).

3. Prof. K. Yugindro Singh and his team comprising S. Ajitkumar Singh and Dr. I. Ablu Meitei observed successfully the 2016-Lunar occultation of Aldebaran.

5. Electrical and structural properties of zinc substituted nickel ferrites synthesized by sol-gel technique

6 Structural and electrical behaviour of Sol-Gel derived Li-Ni-Co Ferrite/SiO2 nano composites N. Nilima, M. Maisnam, S. Phanjoubam, Advanced Material Proceeding. (Accepted for publication).

Conference proceedings:

7 Improved properties of Microwave Sintered Li-Ni-Co ferrites N. Nili-ma, M. Maisnam, S. Phanjoubam, National Conference on Advances in Research and Innovations in Mechanical Engineering, Material Science, Industrial Engineering and Management, Bonfring Publications.

8 Synthesis of Nickel Doped Yttrium Manganites -Y1-xNi xMnO3 by Sol-Gel Auto Combustion Method and a Study of their Structural and Electrical Properties Kshetrimayum Sangeeta, MamataMaisnam and SumitraPanhjoubam

9 National Conference on Advances in Research and Innovations in Mechanical Engineering, Material Science, Industrial Engineering and Management, Bonfring Publications.

10 Structural, Electrical and Magnetic Studies of Sol-Gel Processed Li-Co Ferrites Maisnam Victory, Mamata Maisnam and Sumitra Phanjoubam National Conference on Advances in Research and Innovations in Mechanical Engineering, Material Science, Industrial Engineering and Management, Bonfring Publications.

5. Effect of sintering on the structural studies of Li-Ni ferrite. Sanatombi Sorokhaibam, IbetombiSoibam, Sumitra Phanjoubam, National Conference on Advances in Research and Innovations in Mechanical Engineering, Material Science, Industrial Engineering and Management, Bonfring Publications.

Papers presented in national/international conferences:

2. Structural and magnetic properties of Ni1-xZnxFe2O4(x=0.0, 0.1, 0.2, 0.4) SunitaKhangembam, Maisnam Victory Maisnam, SumitraPhanjoubam International Conference on Materials Science and Technology (ICMST 2016), Kerala, June 5 – 8, 2016.

Prof. N. Nimai Singh

List of publications:

**Membership/meeting attended:**

1. Member of the school board of Physical and mathematical Sciences for the term August, 2015 to Aug, 2017, and 69th School Board meeting, NEHU, attended on 11th April, 2017.

2. Member of the Board of Undergraduate Studies (BUGS) in Physics for two years w.e.f 9.5.2016

3. Member of Advisory committee, DDU KAUSHAL Kendra, D.M. Community College, D.M.College of Science w.e.f 23 July 2016, and meeting attended on 23 July 2016 and 7th March 2017.

4. Lecture delivered on 12th DST INSPIRE Science Camp for the duration from 24th – 28th Nov, 2016 on 24th Nov, 2016, at Manipur University.

5. Participated in the CSIR Pre-examination meeting in the subject physical science from 3-5 Feb, 2017 at NCL, Pune Four Lectures delivered in Refreshers’ course in Mathematical and Physical Sciences, conducted by Mathematics Department, M. U.

**Prof. S. Brajamani Singh**

**List of publications:**

**Dr. H. Basantakumar Sharma**

**List of Publications:**

1. Multiferroic bismuth ferrite thin film and bismuth ferrite-Cobalt ferrite nanocomposites, H. Basantakumar Sharma, Ferroelectrics (accepted),

2. Effect of Mn substitution on structural and dielectric properties of bismuth ferrite, A deepak Sharma, H. Hemanta and H. basantakumar Sharma, Ferroelectrics (accepted),

**Conference attended:**

1. International Conference on Technologically Advanced Materials and Asian Meeting on Ferroelectricity (ICTAM-AMF10), November 7-11, 2016.

**Dr. K. Nomita Devi**

Refresher Course

1. Attended a 21 days Refresher Course in Mathematical and Physical Sciences (20th March-10th April, 2017) organised by UGC – Human Resource Development Centre, Manipur University.

Dr. M. Shubhakanta Singh

Seminars/Conferences/Workshop/Lectures etc.:

1. Participated in the Faculty Development Programme on “High Energy Physics” organized by E&ICT Academy IIT Guwahati held on 02-13 April, 2017 at IIT Guwahati.

2. As a Resource person in the UGC sponsored 30th Orientation programme (16 August – 15 September) at HRDC, Manipur University, on 3rd September 2016.

3. As a Resource person in the UGC sponsored Refresher course in Research Methodology for Teachers (3 – 24 November) at HRDC, Manipur University, on 15th
November 2016.
4 As a Resource person in the UGC sponsored 31st Orientation Programme (23 Dec – 20 January) at HRDC, Manipur University, on 11th January 2017.
5 As a Resource person in the UGC sponsored 32nd Orientation Programme (23 March – 21 April, 2017) at HRDC, Manipur University, on 17th April 2017.

Conferences Participation

11. Departmental Events:
(a) Awards/Achievements of Students and Scholars
i). Five students awarded DST-INSPIRE Fellows (20016-2017, 9th advertisement)
ii). Two students qualified UGC-NET and GATE

iii). One PhD Scholar awarded PhD Degree on 18th Feb 2017

(b) Other activities:

1. Many of the faculties are members of various professional and scientific bodies.

2. Prof. Sh. Dorendrajit Singh got the following membership during the year 2015-16 and attended various meetings.
   a. Member, Department of Physics, Assam University, Silchar, Assam (2015-2018)
   b. Member, School of Technology B, NEHU, Shillong (2016-2019)
   c. Member, School Board Science, NEHU, Shillong (Oct. 1, 2014-Sept. 30, 2016)
   d. Member, BPGS, Nagaland University, Nagaland (2014-2017)

The Department conducts Laboratory demonstration of its various sophisticated facilities like XRD, SEM, and Vacuum Coating Units etc. from time to time to INSPIRE Camp participants, MASTEC Programme participants, NIT students etc.

Prof S Dorendrajit Singh has been included as Governor’s nominee in the Academic Council of Manipur Technical University.

Visitors and their lectures:

i) Prof. B.K. Sinha, I.S.I. Kolkata has delivered an invited lecture on “UNBIASED ESTIMATION OF THE BERNOULLI PARAMETER (p)” on 9th August, 2016 at 12.00 noon.

ii) Prof S.C. Kakaty, Dept. of Statistics, Dibrugarh University has delivered an invited lecture on “Regression Modeling” on 23rd August, 2016 at 11.00 a.m.

Research Projects:

1. Dr. S. Shantikumar Singh, SERB-DST (Science and Engineering Research Board-Department of Science & Technology) sponsored Major Research Project under the Scheme of Empowerment & Equity Opportunities For Excellence in Science entitled “Determinants of Marital Instability: A Statistical Study” with an amount of Rs. 18 lakhs.2017.

Publications of Papers:

Dr. Kh. Kumarchand Singh

2) A Construction of New Incomplete Block Neighbor Designs with even v, (2016)

Dr. S. Opendra Singh

Salam Shantikumar Singh

v) T. Loidang Chanu

Seminar/Conference/Workshops organized

Dr. S. Opendra Singh

i) One day national seminar on “youth development and nation building” at Manipur University Court Hall on 31st March 2016 as organized by NSS Cell MU.

8. Seminar/Conference/Workshops Participated and presented:

Dr. Ksh. Anand Singh,

1. ii) Dr. S. Shantikumar Singh attended and presented Paper entitled “Traditional Occupation and its Impact on Quality of Life: A case Study of Fishing Community of Thanga Karang” in The International Seminar "Anthropological Research in North East India: Retrospect and Prospect on 8-10 November, 2016 organized by Department of Anthropology, Manipur University

Seminar/Conference/Workshops attended:

i) Dr. Anand Singh attended 3 day workshop on Design of Experiments at AryaVidyapith College, Guwahati, during 3-5 Nov. 2016.

ii) Dr. Anand Singh presented a paper “Influence of soil characteristics and environmental factors on analyzing the abundance of different 5 earth worm species in 5 sub-tropical forest ecosystems of Manipur: Application of Principal Component Analysis” in 2-day seminar “Recent Trends in Theory and Application of Statistics” organized by the Department of Statistics, Dibrugarh University, during 24-25, March, 2017

iii) Dr. S. Shantikumar Singh participated in the Three day Workshop on Capacity Building in Grant Writing Skills and Effective Management of Intetlectual Property Rights (IPR) in Biotechnology by Universities & Research Institutions in the North East Region” sponsored by DBT and organized by BCIL (20-22 March, 2017)

Invited lectures:

ii) Dr. Kh. Kumarchand Singh was invited for a lecture on “Healthy Animal, Health Society”, 26-27,

iii) Dr. S. Opendra Singh, delivered a lecture during the Refresher course in “Research Methodology for Teacher” conducted by UGC-Human Resource Development Centre, Manipur University from 3-24 November 2016 in the topic “Sampling design Sampling Scheme and determination of sample size on 08/11/2016.

iv) Dr. S. Shantikumar Singh delivered one invited lecture on 02-09-2016 at UGC-Human Resource Development Centre, MU on the topic “Statistical Data Analysis Using Excel” during 30th Orientation Programme (August 16-September 15, 2016)

v) Dr. S. Shantikumar Singh delivered one invited lecture on 07-10-2016 at UGC-Human Resource Development Centre, MU on the topic “Determination of Sample Size” during The Short Term Course in Research Methodology for Research Scholars (05-10 October, 2016)

vi) Dr. S. Shantikumar Singh delivered one invited lecture on 10-11-2016 at UGC-Human Resource Development Centre, MU on the topic “Statistical Data Analysis Using Excel” during the Refresher Course in Research Methodology for Teachers (03-24 November, 2016)

Medical Society:

RIMS Medical Society is a purely academic forum. Since its inception it has been providing a platform for enrichment of academic and research activities in the Institute. On 3rd Saturday of every month, a scientific session involving all the Departments of the Institute is organized. Besides, the society organizes lectures on various topics by nationally and internationally eminent scientists from within and outside the country. The society publishes a scientific journal "Journal of Medical Society" which is indexed. An annual conference "MESOCON" is organised by the Medical Society.

**Other Information:**

Preparing a Draft Vision Document 2030 in respect of the State of Manipur with the financial assistance of the Department of Planning, Government of Manipur. The study has been started in the light of implementation of Sustainable Development Goals (SDGs) in Manipur. The research is a broad-based study for the first time in Manipur which was being conducted by the Centre for Study of Social Exclusion & Inclusive Policy of Manipur University. The research study includes experts belonging to different disciplines such as Social Sciences, Life Sciences, Humanities and School of Sciences. The Vision Document will contribute immensely to the society in terms of providing accurate information for eradication of poverty, reducing unemployment, and improve access to healthcare facility and improvement of education system in Manipur. It will also provide significant inputs to State Government and Central Government in achieving the Sustainable Development Goals (SDGs) in Manipur.
Centre for Entrepreneurship and Skill Development was established in the year 2014 by Manipur University under the School of Social Sciences with an objective to act as a catalyst for the promotion and advancement of entrepreneurship and skill development activities in the state of Manipur in particular and the nation in general. Today, entrepreneurship and skill development activities is regarded as one of the important determinants for the industrial growth of a country and it has emerged as dynamic and vibrant area of any growing economy. It contributes a lot in the employment generation and helps in the socio economic development of the country or the state. In the present day global competition establishment of a business unit and sustaining it is becoming a big challenge.

The dearth of the entrepreneurial and managerial skills is one of the most major problems being confronted by all the developing economies especially the region like Manipur. Today, Manipur and North eastern states have become a major place of attraction for entrepreneurship due to the Look East Policy/Act East Policy of the Government of India. Both the trans-Asian highways and trans-Asian railway will be passing through Manipur (Moreh-Tamu sector) and Manipur is now becoming the gateway of India to South East Asian countries as it is bordering with Myanmar. In order to meet the global challenges and the new opportunities thrown to the industrial development in the region and also to generate more employment opportunities for the youths and better utilization of the human resource potentials, entrepreneurship and skill development activities have to be given a priority.

With increasing unemployment among the educated, the need is being felt for giving due attention to employable skills in higher education too. Further, there is a need to motivate and guide the educated youths to enable them to move a step forward and take up a career of self-employment and set up enterprises as an entrepreneur and become job creators in the tight job market.

The Indira Gandhi National Open University (IGNOU), New Delhi, is the nerve centre of the National Open University system in the Country. The Study Centres are located in the Educational Institutions and Universities all over the Country. The Imphal Study Centre of IGNOU, established in the year 1987 and is located at Manipur University. The Centre was offered only one academic programme (Diploma in Management) in the year of 1987 with a strength of 6 students.

The Manipur University has provided accommodation for office and classrooms of the Study Centre. The IGNOU, New Delhi provides all other infrastructures. The IGNOU, New Delhi announces admission notice twice in a year i.e. January session and July session for all the programmes which offered, in all National News Papers, Local News Papers, Radio and Doordarshan channel for the benefit of the residents of all over the state. The aim of the IGNOU is to provide access to higher education for the large segment of people, especially the disadvantages sections, in-service people and all those who are interested for higher studies and learning new subjects.

The IGNOU, Imphal Study Centre organises face to face counsellings/classes to the students on sundays, 2nd saturdays and holidays engaging qualified academicians from the universities, colleges and other institutes. During the year 2016-17, 3474 (three thousand four hundred and seventy four) students on rolls in this centre. At present the centre offers the following programmes of studies.

**Master Programmes in:**

**Diploma Programmes in:**

**Certificate Programme in:**

**Bachelor’s Degree in:**
- Library & Information Science, Tourism Studies and Six Months Bachelor Preparatory Programme for
The Health Centre M.U., Canchipur, although has only O.P.D. facility, patient are kept under observation during 10 am to 5pm, given all the semi emergency care and management, also involved in providing 24 hours medical consultation to the different constituents of the university fraternity and also people from the adjoining areas.

**In particular, Health Centre had been actively involved in the followings**

1. Taking care of women and individuals from time to time.

The Health Centre has given coverage to the Sports and cultural events. It gives full medical coverage to individuals participating in Seminars/Symposium organized on the University premise by the several department of the University.

2. The Health Centre has been sending patients to the referral hospitals depending upon the severity of the cases.

3. Full medical coverage to Inter College Youth Festival in the month of Nov.2016 also to Inspired Science programme

4. The number of patients attended during the year 2017-2018 (from 1st April2016 to 31st March 2017.) --

   Total Number of General Patient- 3048,
   Total Number of Dental Patient- 357,

5. List of Doctors at the Health Centre are

   1. Dr. KanchanMala, C.M.O/i/c (contract)
   2. Dr. B.Gokulchandra Sharma-Dental Surgeon(contract)

**Facilities available in the department,**

a. Blood Grouping and cross matching
b. Hemoglobin estimation
c. I.V. Insfusions
d. Nebulizer
e. A to Z Dental care
f. Blood Sugar estimation
g. Ultra Sonography guided Physio-therapy equipment
h. E.C.G. Machine, which is outdated, non-functional (However many of these machines are not in use for the dirth of staff and space)

**Regarding plans of the department, several ideas have been suggested in the past years but it is urgently felt that request for the followings may please be addressed,**

a. full fledged Hospital is needed to cater the medical emergencies for the University employees, also people from the adjoining areas.
b. staff car may please be procured,
c. state of art X-ray machine, Tele medicine etc. be made available.

The Health Centre definitely needs liberal funding. More Doctors, Nurses and other Para medics be appointed to cater to the ever increasing residents, their medical emergencies etc. on the campus.

In the absence of any good hospital in the vicinity the Health Centre if augmented to a hospital will be definitely an asset to the people of the region.

Manipur University being a Central University has to offer best facilities, to the people of the University and in its adjoining areas with a sense of responsibility, play a larger dignified role in the coming future, as such half hearted measures will not suffice. Our community needs a focused participation.
A chawkidar may please be stationed in the vicinity of Health Centre and Ambulance along with the Driver too be stationed there permanently, this proposal has been made repeatedly in the past.

Prof. N. Rajmuhon Singh, delivered his speech on “Empowering the youth for Sustainable Development”. He expressed that the youth make a positive contribution to the national solidarity and communal harmony by voluntarily bane gating the use of coercive and violent methods. Youths can be a great force of national reconstructions and world transformation if they spend some time and bend some of their energy towards the task of discovering their spiritual identity, awakening themselves to higher and subtler goals and recon structuring their lifestyle so that it is free of tension and drug addiction and does not militate against the welfare of the world community.

Prof. MC Arun speaks his topic on “Youth, Chains and Nationhood”. He expressed his ideas that youth empowerment needs a directed social change towards a democratic society which will be the situation in which the youths will grow up as dignified and free individuals. The society needs to liberate from the chains of conservatism, fundamentalism and feudalism and to wipe out all the cultural residues of the past. Without the proper democratic environment, the youths will be just recurrent deposit of the past societies existing in the present time.

Prof. Ch. Ibohal Singh has given his speech on “Youth Empowerment through Entrepreneurship and Skill Development”. Prof. Singh explains the importance of vocationalisation in higher education to produce more globally acceptable workforces and also the use of Information Communication Technology (ICTs). He also suggested that there are certain strategies to be adopted by the academic planners and the management of the academic institutions keeping in view the emerging trends of skill based education, industry demand and customer expectations in the global educational landscape.

Dr. K. Romeo Singh has delivered his speech on “Youth Empowerment through Adventure Sports”. He has sum up that youth can empower through adventure and outdoor games. It has a wide scope for the lovers of adventure sports all over the world. Investments in the promotion of these activities will have very good returns in human development. Adventure is an elixir of life to be tested and fostered alive for all its lovers.

At the valedictory part of the seminar Prof. N. Lokendra Singh, Dean of Social Science, Manipur University took the grace as the Chief Guest of the session. Prof. N. Shyamkesho Singh, Registrar (i/c) Manipur University and Prof. Mohilal Singh, former Dean of Students’ welfare took the as the guest of honour of the session and Dr. K. Aims and Objectives of the Centre/Section:

The UGC-Human Resource Development Centre (formerly known as Academic Staff College), Manipur University, was established with the approval of the University Grants Commission, New Delhi, vide letter F. No.27-1/2005 (ASC) dated, the 12 October 2006. It starts its functioning since 2007. The scheme of setting up Human Resource Centre (HRDC) in selected universities of the country is to create new system commensurate with the expansion of higher education institutions by the University Grants Commission (UGC) with the following broad plan of action:

- To organize specially designed Orientation Programmes (OPs) in pedagogy, educational psychology and philosophy, and socio-economic and political concerns for all new entrants at the level of Assistant Professor
To organize advanced level and more discipline oriented Refresher Courses (RCs), for capacity enhancement and continuous knowledge up-gradation and exposure to emerging developments of faculty involved in teaching in institutions of higher education

To ensure that every teacher in higher education system of our country is exposed to an OP and a RC at least once during the first three to five years; of his/her career

To organize specially designed OPs/RCs to enable the faculty involved in teaching and research in institutions of higher education to utilize fast growing Information and Communication Technology support to teaching and research.

AUDIO VISUAL, LANGUAGE AND PHONETICS LABORATORY

Participations in seminar/workshop/etc.:

Dr. Y. Aboy Singh participated in the following programs:

i) Five Day Advanced Academic Program (Linguistics) for North Eastern States (AAP9(L)NES)2016 organized by Linguistic Research Unit, Indian Statistical Institute, Kolkata & Dept. of Linguistics, Manipur University (from 17-21 October, 2016 at Manipur University).

ii) One Day workshop on “Cashless Transaction” in 2017 organized by Manipur University held at New Social Science Block, Manipur University.

iii) As invigilator for the Semester Examinations, 2016.

1) During 2016-17, Dr. Y.Aboy Singh, Junior Research Officer (JRO) has been appointed as newly staff for Audio Visual, Language and Phonetics Laboratory Complex, School of Humanities, Manipur University whereas Kh. Nabachandra Singh has retired as Assistant Engineer from his post.

Facilities available in the Laboratory:

In order to meet the needs of M.A. & Ph.D. students, researchers and the Language teachers of different departments viz., Linguistics, English, Hindi, and Manipuri, the Laboratory has been equipped with Computerized Speech Lab. (CSL-4500).
There are four sections in this Language Laboratory, viz.

a) Computerized Speech Lab. (CSL-4500) – It has been installed and commissioned.

b) Recording Section – It has installed and commissioned with fully computerized section.

c) Listening Booth Section - This section has 30 booths with sophisticated electronic devices.

d) Projection Section-cum-Conference Hall - This section has a capacity of 80 seats with FM public address system.

**Aims and objectives of the Language Laboratory:**

Since its inception, the Language Laboratory has been helping the students and researchers of departments namely- Linguistics, English, Hindi, and Manipuri. The aim and objective of this laboratory is to understand and speak the correct sound of the language well. The students and researchers of Linguistics, English, Hindi and Manipuri Departments have been getting help in regards to fieldwork and analysis of their data by using Computerized Speech Lab. (CSL-4500). Language data so collected or recorded from different native speakers/informants have been put up with CSL and get analyzed. Besides this, the Laboratory staff members also help other individual researchers from outside institutions as and when they require the laboratory in their academic programmes. Several educational films were also screened and every session was well attended. Mention may be made that the students from Assam University, Silchar, Gauhati University, Nagaland University, etc. get substantial help.

**Other Information:**

Staff strength of the Laboratory: At present the manpower of this Language Laboratory is only 2 (Two), viz.

A) Dr. Y. Aboy Singh, Junior Research Officer (contract basis)

B) Mr. Ngangbam Sana Singh, Laboratory Attendant.

Like other Laboratories of different schools, Language Laboratory is also one of the most important Laboratories for School of Humanities for teaching and learning of different languages.

It is the need of the hour of this Laboratory to fill up regular posts (for a JRO and a Technical staff) since the Lab. is running by a regular Laboratory Attendant and JRO (on contract basis).
